

# Family Size

Complete the tally chart to show the data from the Family Size line plot.

Number of Family Members	Number of Students

Use the data from the tally chart to arrange the information in order.

1. What is the **maximum** (largest) number of people in a family? \_\_\_\_\_
2. What is the **minimum** (smallest) number of people in a family? \_\_\_\_\_
3. What is the **range**? (Subtract the minimum from the maximum) \_\_\_\_\_
4. What is the **mode**? (most frequent family size) \_\_\_\_\_
5. What is the **median** family size for the class? \_\_\_\_\_
