

FREE Technology Workshop

July 26, 27 & 28 2011

8:30 am – 3:30 pm

Come one, two or all three days! Take up to three sessions per day. Choose from these sessions:

Basic Streamline; Social Networking in the Classroom; Digital Storytelling; Glogster; Google Earth; Knowitall.org; SMART Boards; Promethean Boards; Google Docs; Web 2.0; and much, much more!

SMART and Promethean will be offering a full-day, pre-conference workshop at ETV on Monday, July 25. Registration will be on the same page as the Technology Workshop registration.

Register online at <http://etv.streamlinesc.org>

Beginning May 17, 2011

All Interested SC Educators are encouraged to attend

ETV Telecommunications Center
1041 George Rogers Blvd., Columbia, SC 29201
