2015 marked the fifth season of the PBS Arts Fall Festival. Now a fall evening tradition, it has reached a robust audience of more than 45 million viewers since its conception in 2011. The PBS Arts Fall Festival underscores PBS' ongoing commitment to giving audiences a front row seat and backstage pass to the best arts performances from around the globe. Music and Performances include a variety of genres such as theater, concerts, musicals, opera, orchestra, ballet, rock, jazz and more...
