Greenville, SC

Charles and Judy credit ETV Radio with keeping them informed and upbeat in their commutes to and from work, saying, “*Radio Reader, All Things Considered* and classical concerts are favorites--and *Car Talk* and *Whad’Ya Know* quizzes on Saturdays.”

They feel that, “ETV and PBS provide art, music, current issues, science, history and travel programs which complement our interests. It is important to us to support entertaining, uplifting and informative programming people can easily access.”

Judy and Charles conclude, “We made plans to support ETV and joined *The Legacy Society* because we believe in giving back. We want to help people in coming years enjoy ETV resources, live well and be their best selves.”
