

# Smart Cat Summer Safety

Can you guess the answers to each riddle? Draw a line to the correct summer safety item!

I protect your eyes when it's sunny outside.

Wear me on your head when you're skating or biking.

I keep your head cool, and in the back, I snap.

Ride me to get to school or play, but don't forget when you cross the street, to look both ways.

If you are in the sun, you need to put me on your skin so that the sunbeams don't hurt you.

Wear me when you are riding a bike or skating when it is dark outside.

When you're in a pool and have trouble swimming, wear me to keep you afloat.

Be sure to keep me laced up so you don't trip and fall.

Fill me up with water and drink out of me daily.
