**Riverbanks Zoo Roundup:
Animal Survival Tactics**

Target Audience
5 - 8th grades

Programming: Riverbanks Zoo Roundup: Animal Survival Tactics

Assignment(s): Watch Animal Survival Tactics and answer the questions below.

Option 1:

Part One: Content Mastery Recall

How do zebras stripes help to protect them in the wild?

Part Two: Media Project

Choose one of the animals and research more about their habitats and more of their survival tactics. Create a five-minute video on the animal or write an expository essay about the animal including characteristics NOT discussed in the show. Include at least five new facts, not in the video, about the animal.

OR

Option 2

Research how plants can protect themselves from being eaten by a herbivore. Create a slide for five plants that have characteristics which aid in their survival. Include a picture of each and at least four facts about that plant.
