LEARNINGWHY

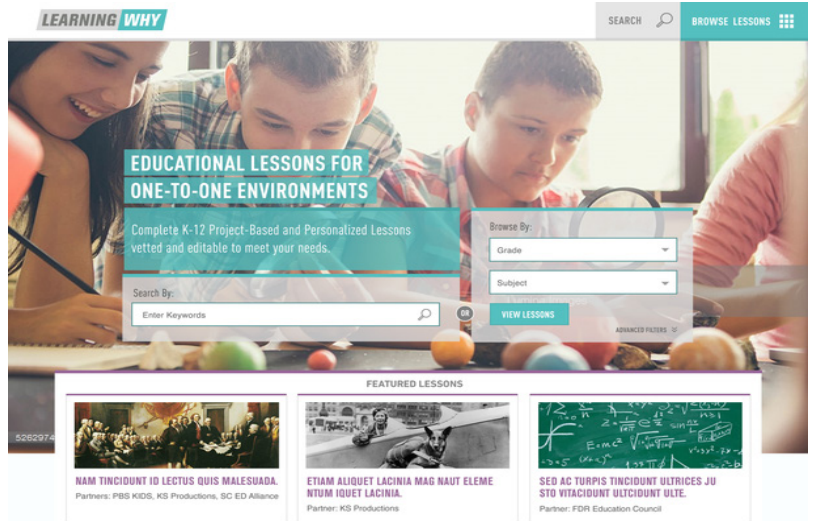

Innovative Lessons for Tomorrow's Graduate

ETV's PreK-12 Project and Challenge Based Lessons Addressing Essential Questions That Help Your Students Learn

Complete standards-based lessons for today's One-to-One environment.

Projects include:

- cross-curricular activities
- lesson progressions
- assessments
- all the media and content links you need to teach Standards and Indicators

Beta Site Coming this Fall...

ETV's newest teacher resource begins with rich S.C. historical content for 8th grade S.C. Social Studies.

Next year, LearningWhy expands to include additional curriculums and grade levels.

LearningWhy project lessons are:

- Downloadable and editable to meet your needs
- Properly vetted and available to work within approved district and SDE curriculum

LearningWhy encourages ETV's educational partners to upload, incorporate, and share their projects, activities, and lessons across the state.
