🖋 Standard view

Click on the play button in the center of the screen to start the video. You may pause the video if needed but you may not fast forward.

There is a "back" button that appears after about 10 seconds at the lower left of the video.

This button allows you to go back 10 seconds each time it is clicked if you need to review a portion of the training.

At the end of each segment, you see a **Continue** button you must click to return to the course page to access the next activity.

You have a short amount of time to click on the **Continue** button. If you do not click the **Continue** button within approximately 30 seconds, you are required to watch the video again.

After you have viewed all of the training segments, you then have access to the training **Evaluation** you must complete in order to access your training certificate.
