* The attached Referral Source mailing list is also notified in recruitment for indicated positions

Long Term Recruitment Initiatives for the Period August 1, 2018 to July 31, 2019

Please note that this report includes descriptions of the long-term initiatives completed for the period ending July 31, 2019, in order to demonstrate compliance with the initiative requirements of the FCC's rules.

Educational Television Network/ Educational Radio Network (hereafter referred to as ETV/ERN) is served by a Human Resources office and recruiting unit located in the central headquarters in Columbia. Managers in the regional radio and television stations, all of which have less than five employees, are involved in recruitment/employment activities for their individual stations and where appropriate, general recruitment efforts for the agency as a whole. The agency has undertaken the following initiatives to ensure outreach to the community and its diverse constituents:

Internship Programs

- ETV has an ongoing non-paid internship program for students of Universities and Colleges in the state and provides community service opportunities to local high school students. seven students participated during the reporting period.
- ETV has a paid endowment internship each summer; eight college students participated during this reporting period in television or radio departments.

Agency Training to Management Level Personnel on methods of ensuring EEO and Preventing Discrimination

- Over thirty-six managers/supervisors participated in an all-day Discrimination and Harassment Training. This training was designed to educate managers and supervisors on their responsibilities on preventing Harassment and Discrimination through ETV policy review, Federal Laws, and hypotheticals.
- In May, 2019, employees were provided a Diversity Training Program. "*Ensuring a Climate of Mutual Respect*". The training was designed to familiarize employees/supervisors with benefits and challenges of a diverse workplace, and the importance of communication styles. Nineteen employees attended the Diversity workshop.

Participation in Events/Job Fairs

- ETV participated in six job fairs, one held at University of South Carolina during early Fall of 2018, the second was at Furman University on September 27, 2018, the next was held at SC Works on November 08, 2018. The first Spring job fair was held at SCBA: National Guard Armory April 3, 2019, the second Spring job fair was also held at Columbia College on April 11, 2019, and the third Spring Job Fair was at the National Guard Armory for Veterans and their families on April 23, 2019

Participation in community events such as career days, workshops and similar activities

- ETV routinely provides shadowing opportunities for interested grade school students. We had eight local students participate.
- Staff represented ETV at six Career Day/Mentor events throughout the state.
- The 60th anniversary of South Carolina ETV (SCETV) was a statewide celebration, encompassing four months and nine different events, culminating in a signature event – SCETV’s Diamond Jubilee where over one thousand people was in attendance.
- In an effort to shine a light on issues affecting women throughout the state and nation and recognize trailblazing women leaders that have made an impact in South Carolina, SCETV created “[Women Vision SC](#)”

More than just a television program, “Women Vision SC” was a multi-platform project, which aired on various mediums a few weeks short of the 100th anniversary of the 19th Amendment being passed by Congress.

In fall 2018, viewers and listeners throughout the state were invited to nominate women of vision. In all, 75 women were nominated, and a panel narrowed the field to 11.

Among the 11 honorees were South Carolina’s first female Chief Justice Jean Toal and former Superintendent of Education Inez Tenenbaum. The “Women Vision SC” initiative is expected to continue next year with a new batch of honorees.

- SCETV partnered with local organizations in Beaufort to host several events in conjunction with the debut of the documentary film “Reconstruction: America after the Civil War.”

In addition to a screener event and lively panel discussion featuring renowned historian Dr. Henry Louis Gates, Jr., SCETV’s Education team also hosted a Virtual Classroom event with Dr. Gates, allowing teachers across the state to submit questions live. The Virtual Classroom was attended by local students and helped promote “[Reconstruction 360](#)” – a new web and mobile application featuring videos and short films about the crucial era in American history.

Other activities that further the goal of increasing ETV and job awareness

- ETV distributes job listings to approximately 57 diverse local and national organizations/websites and an additional two persons via traditional mail and email.
- ETV’s central headquarters in Columbia gave 18 tours of the facility to various groups, which also included students from area schools, state and county agencies, churches and community groups. Approximately 1450 people to include the over one- thousand people that came out to celebrate our 60th Anniversary, students, community leaders and senior citizens visited ETV during these tours.
- ETV’s Upstate Facility gave two tours to parents and prospective Journalism students approximately 50 people total.

- ETV's Beaufort Facility gave one tour to Low Country Homeschoolers.
- ETV annually reports minority-hiring statistics to the South Carolina State Human Affairs Commission, and as such, has an Affirmative Action Plan and goals for minority recruitment.
- ETV, in accordance with FCC and State Human Affairs Commission requirements, maintains reportable data on employment activities.
- During the 2018-19 school year, SCETV's Education team made a significant impact, training nearly 5,000 individuals in pre-K-12 and higher education entities across the state. The team also managed 257 wireless hotspots at afterschool and early learning sites.
- In addition to these external activities, the team utilized its online platforms, such as [Learning Why](#) and [Knowitall.org](#), to equip teachers with valuable resources.
- Covered positions are posted on the State of SC Agency Website to which ETV's home page is linked.
- ETV advertised a request for community groups to become members of its job opening distribution list and identified the agency as an Equal Opportunity Employer on its television stations 260 times during the period of August 1, 2018 through July 31, 2019. ETV also runs Radio spots daily (365) which define the organization as an equal opportunity employer and request community groups to become members of its job opening distribution list.
