

## Learning Activities

Grades K—8

### All Around Town: The Photographs of Richard Smith Roberts

By Dinah Johnson

**Activity 1:** Create your own photograph book! First, use a camera, phone, or tablet and take photographs of interesting things all around your town or home. Then pick the photographs that you like best and write a caption for each one. Put your pages in the order you like best and send it to us at [etveducation@scetv.org](mailto:etveducation@scetv.org) or post them on social media. Don't forget to give your book a title.

**Activity 2:** What and/or who inspires you? Create a collage of pictures from magazines or newspapers that answers this question. Send us your collage at [etveducation@scetv.org](mailto:etveducation@scetv.org) or post it on social media.

**Activity 3:** What is your favorite work of art? Make a video showing us your favorite picture, drawing, sculpture, or media art piece. Tell us why it's your favorite piece. Send your response to us at [etveducation@scetv.org](mailto:etveducation@scetv.org) or post it to social media.
