

Learning Activity

Olivia Gave a Hug Today Grades 1—5

ACTIVITY 1:

Olivia gave hugs to people she thought needed them. Hugs are one of the ways we can show people that we love them and that we care. Other ways are smiles, waves, "elbow bumps", and high-fives. Give a hug, smile, wave, etc. to at least three people that you think need them. Post a picture of your encounter with them to social media using hashtag #StorytimeWithETV

ACTIVITY 2;

Create a paper hug to send to your loved ones during this time of social distancing! You can create one for them with just a few items: a large piece of paper, a pen or pencil, scissors, tape, and crayons or paint! With the help of a trusted adult, follow the simple instructions below to create your paper hug!

- 1. Lay the large piece of paper on the floor and have someone trace the outline of your wingspan.
- 2. Color or paint the outline of you!
- 3. Once it dries, cut it!

Fold the arms of the outline and tape them together to make a hug!

You can send this hug through the mail if you would like! Feel free to add a card to the envelope or write a poem and put it on the back of the hug. Post a picture of your creation to social media using the hashtag #StorytimeWithETV
