Learning Activity

The Day Dennis Lost His Whoo Grades 1—5

ACTIVITY 1:

Dennis lost his whoo, but found it when he realized he was special and had gifts the world needed! Tell us what makes you special and what gifts you have that the world needs! Post a video to social media using the hashtag #StorytimewithSCETV

ACTIVITY 2:

Affirmations are positive reminders that something is true. Dennis listened to the positive affirmations of his loved ones, told himself positive affirmations, and found his whoo!

It is important that we learn to speak positive affirmations to ourselves and others. Use each letter in your first name to write one word that begins with that letter and describes you! For example, Dennis might say that he is D – determined E – excellent N – nice N – noble I – intelligent S – smart. Don't forget to decorate your page! On a separate page, write a one-sentence affirmation. As a bonus, write down an affirmation that you can share with someone else. Post a picture of your name or a video of your name affirmations using hashtag #StorytimewithSCETV
